

# DREAM CATCHER

## Materials:

- Paper Plate
- Yarn
- Scissors
- Hole-punch
- Markers

## Directions:

1. Cut the center circle out of your paper plate.
2. Use a hole punch to punch holes around your dream catcher. You can also add a hole at the top so you can hang your dream catcher.
3. String your yarn to between the holes in your paper plate, creating your dream catcher design.
4. Decorate your dream catcher with crayons, markers, sequins, feathers and anything else you can find!
